The intent of the Community Use of Schools Program, funded by the Ministry of Health Promotion is to encourage an increased use of community schools by not-for-profit groups at reduced rates. As a result of signing a Community Recreation and Use Agreement with the Ministry for the 2010/2011 year, the Kenora Catholic District School Board will be continuing to offer school space at reduced rates to not-for-profit community groups.

Please complete this form in order to complete your facility permit for 2010/2011.
