Communication:

Trustees of the Kenora Catholic District School Board wish to announce that at its Board Meeting held on Tuesday, December 9th, 2008 elections for the office of Chair and Vice Chair were held.

Trustee Darryl Michaluk was elected Chair of the Board. Darryl Michaluk has been a dedicated Trustee for the past 5 years.

Trustee Mike Favreau was elected Vice Chair of the Board. Mike was first elected a trustee 12 years ago and has been dedicated to the children and the Kenora Catholic District School Board ever since.

At his acceptance speech, Darryl Michaluk was quoted as saying *"I feel both blessed and honored to be the new Chair of the Kenora Catholic District School Board. Along with Vice Chair Mike Favreau, and all of the Trustees, I know we will continue the diligent work of caring for our children. I personally believe we have one of the very best School Boards in the province, perhaps even all of Canada and that is because we work as a team (from support staff to Education Assistants, teachers to principals, board staff to administration, parents to our church congregation to our team of trustees) whose common goal is to achieve excellence and so much more for the Children God has Blessed us to look after"*.
