Communication:

I am pleased to announce that we have hired a new Manager of Information Technology Services to replace Kyle Williams who moved to Thunder Bay this summer.

We have hired Mr. Craig Debbo. Craig has over 18 years of computer technology experience in both Canada and the United States. He has a degree in Computer Science from Queen's University and an MBA in Finance and IT from Georgia State University. He has extensive experience both as a technician and a manager.

Craig will begin his new position as IT Manager on September 26, 2011. We are please to welcome Craig and look forward to working with him and gaining from his expertise as we move forward for the success our students.
