Kindergarten and the Full-Day Early Learning Program for 4 and 5 year olds

Welcome to a wonderful journey of learning infused with faith values!

At the Kenora Catholic District School Board we are proud to welcome new Kindergarten students. In our schools we create safe and caring learning environments with an emphasis on faith formation and character development. We place a strong focus on reading, writing and mathematics. Our highly qualified, caring and dedicated teachers provide opportunities to explore, discover and share through science, the arts, technology and physical and health activities. We provide unique and enriched programming opportunities such as swimming lessons, French Immersion from JK – grade 12 (École Ste-Marguerite Bourgeoys and St. Thomas Aquinas High School), Native as a Second Language from JK – grade 12 and Northern Studies.

Full-Day Early Learning Program for 4 and 5 year olds – The best start to school

Our Board is currently offering Full-Day Early Learning for 4 and 5 year old at St. Louis School and full day learning for Kindergarten students at **Pope John Paul II School** and **St. John's Separate School** in Red Lake. Our Early Learning classrooms are set up to provide a play-based environment designated to stimulate the whole child through exploration, investigation and discovery, engaging your child's natural interests. We are providing students with the opportunity to develop leadership skills as they work and play in an environment that promotes self-directed learning.

New research tells us that the first five years of your child's life are key to their healthy brain development and learning. In fact, by the age of three a child's brain is twice as active as an adult's brain. Make the most of this important time by enrolling your child in one of our Early Learning Programs.

We'd welcome a visit or a phone call from you!

At our Board we are incredibly proud of our students, teachers and schools, but please don't take our word for it. Our friendly and dedicated Catholic elementary principals would love to tour you through our schools or answer any questions you may have. Please contact your neighborhood Catholic Elementary Principal to learn more about Kindergarten registration:

- Ms. Trudy Cederwall, St. Louis School (807) 547-2829**

Our open-door registration program runs from **January 30th to February 3rd**. Registrations will also be accepted anytime during the regular school year if you happen to miss our open-door registration program. However, we strongly recommend that you call early as spaces in our Kindergarten programs can become limited. We'd hate to see your child on a waiting list!
