### **100 General Administration Procedures**

#### **AP 122: Animals in Schools**

---

The Kenora Catholic District School Board recognizes the need to provide a healthy and safe learning environment for students and staff. In order to ensure a healthy learning environment the board prohibits individuals from bringing animals (pets) into the school environment without proper permission from the school principal or designate. The exception to this procedure is for individuals that require service animals (see procedure #AP117 – Accessibility Standards for Customer Service).
