## System Wide Olympic Torch Celebration

Students Cassidy Swejda-Joseph & Ryan Polischuk both of PJPJII School, carry the Olympic torch out of the gymnasium of St. Thomas Aquinas High School following opening ceremonies.

On January 4<sup>th</sup>, the first day back to school after Christmas Break, students all across the Kenora Catholic District School Board enjoyed a day of friendship, unity and excitement being part of the KCDSB's "Carry the Torch" Celebration in commemoration of the 2010 Olympics being hosted in Canada.

Project organizers Kathy Valentini and Jacqueline Duhaime worked in collaboration and partnership and together submitted a proposal to The Canadian Heritage Grant under the Celebrate and Commemoration Program Application program and were approved for \$6,110.

Valentini and Duhaime wanted to provide an opportunity for students all across our diverse and culturally rich board to come together in celebration of the Olympics. *It provided a unique opportunity for us to have our whole system come together and have St. John's Separate School in Red Lake, feel part of our Catholic Education Community. The money provided the opportunity to finance the bussing of students from St. John's School and St. Louis School comments Duhaime.*

Activities started with a celebration of diversity with a multilingual, multicultural opening ceremony with student led prayers in English, French and Ojibway, a multi-school Torch Relay and various sporting competitions such as hockey, skating, snowshoeing, skiing, curling and so much more. Senior students were provided with an opportunity to hone their leadership skills in coordinating and facilitating activities for younger peers.

Murray Delorme, Assistant to the Director of Education comments that there was a real sense of excitement and anticipation leading up to the Olympic Torch Celebration. The event provided students with a sense of community, unity and inspiration. It couldn't have been a better way to start the New Year after Christmas break. Delorme extends sincere appreciation to Kathy Valentini and Jacqueline Duhaime for writing the proposal and organizing the event, as well as everyone who made January 4<sup>th</sup> such an exciting and educational day for our students.
