

PERSONAL BIOGRAPHY

Frank Bastone

Personal Biography: Frank Bastone has been involved with the Kenora Catholic District School Board as a Trustee since January 2006. Frank was also a trustee for the former Dryden District Roman Catholic Separate School Board for 6 years prior to moving to Kenora in 2000. “Serving as a trustee in a Catholic context has helped strengthen my own spiritual development. I wanted to continue my call to serve here in Kenora” says Bastone.

Frank has been employed with the Ontario Ministry of Northern Development, Mines & Forestry since 1990. Prior to that he was the Director of Recreation for the Town of Sioux Lookout and Recreation Program Coordinator for the City of Kamloops.

Frank really enjoys being a trustee for the board because “all the trustees are responsible, respectful and caring individuals who are unified in the mission of providing the best possible Catholic education for our students. We are blessed with having administrative, teaching and support staff who are equally committed to that mission. The level of commitment and the strength of cooperation and respect make serving the board both a pleasure and a privilege. Being able to serve the board is a gift from God.”

Frank is the proud father of 3 beautiful daughters. Daniela and Dessa are both graduates of our Catholic school system, while Daria is currently attending St. Thomas Aquinas High School.

Frank also became a grandparent in 2010 and his beautiful new granddaughter Davea will soon enough become one of our students.

Something a little bit unique about Frank: He loves to cook, especially Italian cuisine, and he owes it to his mother. He’s quite at home in the kitchen.

“It is important to our students to recognize that an education goes beyond learning facts in the classroom. It is important that they come to learn that we are called...to act justly, to love tenderly, to walk humbly, to serve generously and to live peacefully.”

Our board’s commitment to excellence in academics, art and athletics is providing a solid foundation for our graduates to set higher goals.
