

French Plays

We would like to give you the opportunity to see your child perform their first French play of the year. Note your child's time slot in the chart below. We will need 1 or 2 parents for each play to help us transition between classes and to get the students in their costumes and ready. If you can help, come and volunteer backstage about 10 minutes before performance time. Thanks!

If your child needs a specific costume that we don't already have, a note will go home separate from this one to let you know what to send to school for them to wear.

I hope to see you all there!
