Dear parents, guardians and family members:

I hope the first few weeks of the new school year have been fulfilling and successful for you and your child. Welcome back to a new school year. It's been delightful to be in the schools and see all the excitement of the first weeks of school.

On August 22 – 23, Principals, Vice Principals and the Executive Council Team reviewed a great number of our administrative procedures and created a few new procedures as well. I'm very pleased with the progress we made over the course of those two days. However, our work is not complete. I would like to invite you to also be a part of our procedure review and collaboration process as your feedback is valued.

Please take a few minutes to visit our board website at www.kcdsb.on.ca and review the procedures currently available for consultation. Although our procedures are available for comment at any time we'd really appreciate feedback on the procedures listed on our Procedure Review Page as they were recently reviewed. These procedures will be available for review until October 1, 2011. All of our procedures are available on our board website by visiting www.kcdsb.on.ca / Departments / Administrative Services / Procedures for Review.

Your recommendations will be reviewed by the Executive Council Team to ensure they support the board's philosophies and effective operation of the procedure.

We look forward to receiving your comments and if you have any questions please feel free to contact me or Trina Henley at any time.

Thank you for making a difference in our student's lives.

Yours in Catholic Education,

Phyllis Eikre
Director of Education
