Dear Parents and Guardians:

We are glad that you have chosen to be a part of the Pope John Paul II Catholic School community. Students in Grade One at Pope John Paul II School have a choice in second language instruction. The Ministry of Education mandates that 600 hours of second language instruction take place before grade 10. We are pleased to offer your child the choice of receiving second language instruction in French or Ojibwe.

Please check below to indicate which language you wish your child to receive next year, and return to the school no later than May 28th, 2010, so that classes can be set for the next school year.

If we do not receive this form by the due date, we can not guarantee the choice of second language instruction you desire for your child, as there are limited spaces in each of the programs.

If you have any questions, please feel free to contact me.

Yours in Catholic Education,

Andy Graham
