

Social Media

Commenting Guideline

The Kenora Catholic District School Board welcomes comments, suggestions and questions about the content we post on our social media spaces. We have established our social media spaces because we want to engage with parents, guardians and community members and have spaces that are interactive, have a sense of humor and encourage collaboration. We ask that posts be respectful of our KCDSB community, our Catholic values and our **Equity and Inclusive Education procedure**. The Board asks that you follow the general rules of respectful civil discourse. You are fully responsible for everything that you post, and we would like to remind you that all posted comments are in the public domain.

The Board's social media spaces are a forum for everyone to respectfully discuss educational issues and to celebrate news, stories, event photos, achievements, videos and information related to our schools and school board.

The Kenora Catholic District School Board's social media spaces are not for personal use. Comments involving personal issues with the Board, a school or a staff member will be removed. This is however a forum for celebrating and valuing the benefits of your Catholic school and the Kenora Catholic District School Board. As well as a way to provide valuable up-to-date information.

The Kenora Catholic District School Board reserves the right to delete comments that are considered:

- spam

- clearly off-topic or disruptive
- advocating illegal activity
- violation of the KCDSB Catholic values, policies or procedures
